

| | |
|---|---|
| Aggravated by exposure | |
| Emergency And First Aid Procedures | Eyes - flush with large amounts of cool water for at least 15 minutes. Consult a physician. Inhalation: Remove to fresh air. Administer oxygen, if available, to restore breathing. If spontaneous vomiting occurs, take steps to prevent aspiration into the lungs. Do not induce vomiting. Treatment is to be based on the sound judgment of the physician and the individual reaction(s) of the patient. |

Section VII Precautions for Safe Handling and Use

| | |
|--|---|
| Steps to be taken in case material is released or spilled | Use sand or other inert material to dam and contain spill. Personnel should wear protection to prevent skin and eye contact. Keep unnecessary persons out of area and away from spill. |
| Waste disposal method | Check company's policy on disposal. Disposal should be in accordance with local, State and Federal regulations. |
| Precautions For Storing And Handling | Store in clean dry area in properly labeled containers. Read complete directions and precautions before use. Keep containers closed when not in use. Do not take internally. Keep out of reach of children. Do not let personnel use without proper safety hazard training. Do not re-use empty containers. |
| Other Precautions | All containers should be disposed of in an environmentally safe manner or returned to a drum reconditioner. |

Section VIII Control Measures

| | |
|-------------------------------|--|
| Respiratory Protection | None usually required. In a fire or confined area, use NIOSH approved, self-contained breathing apparatus. |
|-------------------------------|--|

Ventilation:

| | |
|----------------------|--|
| Local Exhaust | Sufficient ventilation, in volume and pattern, should be provided to keep air contamination below current applicable OSHA permissible exposure limit or ACGHI's TLV limit. |
| Mechanical | |
| Special | |
| Other | |

| | |
|---|---|
| Protective Gloves | Rubber or plastic. |
| Eye Protection | Chemical goggles with side shields or face shield recommended. |
| Other Protective Clothing or Equipment | Eyewash station/safety shower. Long sleeve shirt - pants suggested. |
| Work Hygienic Practices | Remove and wash contaminated clothing before reuse. |
